

Bank Draft Payment Plan Agreement

EVANSDALE WATER WORKS

A Bank Draft Payment Plan for the payment of water, sewer, garbage, and related charges.

Under the Bank Draft Payment Plan, your utility bill is drafted from your bank on the 7th of the month that your bill is due. If the 7th of the month falls on a weekend or a Federal Reserve Bank holiday, your account will be drafted the next regular business day. You will still receive a billing statement for your records.

Authorization Agreement

I hereby authorize Evansdale Water Works to initiate charges to my bank account at the financial institution named below. I also authorize the listed financial institution to make the requested payments in accordance with the Evansdale Water Works Bank Draft Payment Plan.

I understand that a service charge in the amount of \$30.00 shall be assessed to me in the event that my utility draft payment is rejected by the bank on which it was drawn. The service charge shall be in addition to any applicable late fees.

This agreement will remain in effect until Evansdale Water Works has received written notification from the authorized parties to terminate this payment plan arrangement and has had a reasonable opportunity to act on it.

I understand that both the financial institution below and the Evansdale Water Works reserve the right to terminate this Bank Draft Payment Plan Agreement upon mailing written notice to my last known address.
